

Calne Rotary Club 31st Charity 10km Fun Run at Bowood on 24th March 2019

Organised by Calne Rotary Club, the charity fun run boasts some fantastic scenery around the beautiful Bowood estate grounds.

The 31st Annual Calne Rotary 10km Charity Fun Run at Bowood is on Sunday 24th March 2019. You can enter online at [RiderHQ](https://www.riderhq.com) and download and print the event poster and the course map at [Calne Rotary.org.uk](http://CalneRotary.org.uk).

This friendly Fun Run and Walk caters for a wide range of participants, including serious club runners, joggers, keep-fit enthusiasts and walkers who would like to enjoy a few hours in the fresh air in picturesque Bowood Park.

Our chosen charities for 2019 are;

- Calne Welfare Charities <http://www.calnewelfarecharities.org>
- SSAFA, Soldiers, Sailors & Airmen Families Association, <https://www.ssafa.org.uk>.

We encourage participants to raise money for their own chosen charity by requesting sponsorship from family and friends.

For the first time this year a Rock Choir will be singing at the event and an organised warm up session will be held before the start.

The race is multi-terrain, starting on tarmac which is ideal for runners to find their legs and spread out before a cross country section, along the golf course and tracks through the woods. The last two miles are in open countryside, alongside Bowood lake and Bowood house before a short sprint to the finish.

At the finish station there will be water bottles and bananas available for all participants. Refreshments are on sale in the Bowood Cafe, where bacon butties are always very popular.

Estate owner, Lord Lansdowne will start the race and Mayor of Calne, Glenis Ansell will be presenting the winners trophies immediately after the event.

All participants will receive a lovely medal and our special premium entry includes a medal and a good quality T shirt.
Online entries close on the 22nd March however entries are available on the day for an additional cost
